

Learning Care Group Van and Bus Drivers are dependable and caring individuals who understand that important responsibility of contributing to the future of tomorrows' leaders.

Our Van and Bus Drivers establish routes and procedures to transport the children to and from the center safely on a daily basis. They ensure that the vehicle transporting the children is properly maintained and serviced while maintaining a violation free driving record.

Our Van and Bus Drivers are rewarded for their patience with hugs from the children and praise from the parents every day!

Join the Learning Care Group family, where we offer a loving and inviting atmosphere for our children and families every day. By building strong relationships with our families, our parents trust our dedicated staff to ensure a life long love of learning for their children.
